EDITORIAL

We love naked girls here at Club International and we've been racking our brains on how to cram more girls into one issue. And then it hits us like a bus! Why not replace all of the single girl photo shoots with full-on lesbian action. So we've got 15 photo sets in this issue, totalling 31 naked girls. That's more pussy than we've ever had in one magazine. You're all very welcome...

**Aiden, Tina
& Nikita**

They say things typically come in threes, and on the day we shot this set that was certainly the case. It goes without saying that Tina, Aiden and Nikita had a whale of a time together, and came like three squealing donkeys. But that's not where it ended, because just about everything else that day seemed to have a very 'three' based theme. Naturally we stole three bras and three pairs of pants when the girls weren't looking, we managed to get through three bottles of vodka over lunch, and then had three punch-ups over who was better at the Rubik's cube. Preston Matt threw up three times, and I ended up with three traffic cones on my head. And then finally, all three girls refused my request for a sneaky blow-job. Bloody typical!

**Sandy
& Mia**

We've got something in common with Sandy Summers. No, not a lovely fanny and top tits, but that her favourite taste is our favourite taste – pussy. Luckily for her – but not for us, sadly – Mia has a pussy that tastes incredible. How incredible? "It's like ice cream to the power of duck confit," says Sandy, who clearly eats at better restaurants than the Wimpy we frequent. "It might be the finest and most fragrant fuckhole I've ever sampled." Mia seems happy to be subject of this taste test, laying back and spreading her legs ever wider as Sandy's tongue probes like something from NASA. We asked for a go, but she frowned at us and pulled Sandy's head in deeper to her crotch. We took that as a 'no'. S'not fair...

We like nothing more than sitting back on the sofa with a Hofmeister (or similarly topical beer) and watching Angel Dark getting cock in a Euro porn movie. It's one of life's richest pleasures. But watching her get her tuppence licked by Lisen runs it pretty close. Angel seems to enjoy minge as much as meat, from what we can tell, and she tucks into Lisen's juicy box with relish. We haven't seen Lisen get fucked yet – we're reserving a special can of Harp for that night in – but we reckon that when we do, she'll be a multi-orgasmic mess, seeing as how she gets set off with more or less every flick of Angel's tongue. We offered to put some sausage in their sandwich, but they made their excuses and left. Out the window

Cindy and Peaches might occupy different positions at work, but that doesn't stop them occupying different positions at work, if you get what we mean. Well, of course you do, there's a bunch of photos here that make it pretty obvious. Peaches might have the better job, but she knows that everyone is equal when the clothes are off and there's a couple of fingers wiggling around in your twat. Cindy doesn't care about impressing the boss, she just wants to suck those two fingers of hers clean before replacing them with her probing tongue. Oh, and to get her own pussy eaten out as well. It's no way to get work done, of course, but as screen breaks go, it sure beats huddling outside for a crafty fag...

**Cindy &
Peaches**

Lucille
& Suzie

Suzie Carina is a past mistress of teaching new porn stars the ropes. But Lucille isn't the ingenue she appears at first. Suzie thinks she's got some veteran porn babe tricks up her sleeve, but every time she rolls one out, Lucille comes back with one of her own. Suzie's developed a tongue trick that makes girls go bananas when they're having their pussy munched.

Lucille goes down on Suzie and shows she's already mastered it. Suzie tells Lucille she can make her cum in 60 seconds, and she does. But then Lucille turns the tables and brings Suzie off in the same time. What gives? Turns out Lucille picked up her skills watching Suzie perform 'em in pornos. Good job Suzie's got a couple she's never shown anyone yet...

Mia & Carla ♣

When Carla Cox and her girlfriend Mia get together in the kitchen, don't expect them to rustle you up a sandwich. Nope, they're a right pair of klutzes when it comes to culinary skills, but we'd rather watch these two fuck than see Rick Stein licking out Richard

Corrigan. In fact, they get so down and dirty, that you couldn't even make yourself a sandwich on the kitchen top while you watched, it wouldn't be hygienic. Anyway, who wants to eat when these two are juicing up the room? Just refresh yourself by lapping up some of the many juices they spill...

**Angelina
& Hailey** 

Australian models long ago got used to Club mentioning Neighbours and Home & Away every time they appear in the mag. "Go on," sighs Angelina, "Harold Bishop, Bouncer, Lassiters, get it out of your system." Actually, we were going to start with Mrs Mangel and Toadfish, but cheers. "There's more to Australian culture than our soaps," protests Hailey. Go on then... "Erm, oh shit. Okay, have you heard about this film called Crocodile Dundee?"

We've had some foul flatmates in our time. People who don't feel it necessary to flush their leavings, for example. We don't reckon that Susane will be having any problems with Eve Angel, however, who has moved in with her for a few months while she redecorates her own place from top to bottom. No, we reckon it'll be white wine spritzers and Desperate Housewives marathons all the way. They'll wear cute pyjamas and those snug socks

and giggle over the foibles of some people on reality TV. Then they'll go to bed with their teddy bears and dream of lambs. Actually, none of that will be true. With what we've witnessed of Susane and Eve, they'll actually spend most of their time fucking the hell out of each other, using a variety of toys. Then they'll invite some guys over to use their cocks in all available holes until they're all spent and exhausted. Then, and only then, will they fire up the spritzers and Desperate Housewives box-set...

Sonia & Natalia

It must be exhausting being a lesbian. When a man and a woman have sex, there's some oral, but also a whole lot of fucking. With two girls? Tongues, tongues and more tongues. Okay, and some fingers. "You must be doing it wrong," giggles Natalia. "If you're hitting the spot, you don't need to be licking the pussy all that long – although I love the taste so I'm a bit of a pig for pussy. And we have fingers as well," adds Sonia, "and a bunch of sex toys. And, don't forget, the phone numbers of a whole lot of men who'll drop everything to join us." Ooh, tongues will wag...

There can be few better sights in the world than a couple of the industry's tastiest hotties getting acquainted with each other's ladyparts, can there? Yes, I know the Taj Mahal's meant to be worth a squiz, and a lot of people rave about the glories of Rome and Florence, but when all's said and done, sometimes the very best view can be had right there on your sofa. Not, I'm sorry to say, that that actually is my sofa...

Peeekaboo we see you and damn are we pleased with the sight these two smouldering saucepots are giving us. Copping a feel of each other's silk like flesh has set the bar high, and our imaginations have been flooded with possibilities that we are just itching to test and flex. Especially after Destiny Dixon dropped us a line for the Club readers on her shoot with Jayden Jaymes. "It was the hottest shoot I've ever done and if you've ever wondered what happens when the camera stops clicking then I can tell you, more than you'd ever believe!" That was an insight for us too!

Ever find yourself sitting around, wondering what to do to try and liven things up a bit? Well, we've hit upon a splendid solution – invite two of the horniest flampers in the country round to lez it up for you! That's what we did the other week with Sam Bentley and Stella Cox here, and all of a sudden a potentially tiresome afternoon was transformed into a mind-blowing feast for the senses as the two girls set about bringing each other off using just about every combination of finger, tongue (and foot) they could think off! The hours flew by, and it hardly felt like any time had passed at all before we were all ready for bed!

**Emma &
Sophie** 

When we came up with the idea of a girl-on-girl Special Edition of Club we knew we had to have a small celebration. The Ed was all in favour of having a big piss-up, but to be honest he always is anyway, so once we'd factored that in, we started to think that what we'd really like to do is stand around and watch while two of our favourite Club girls, Emma Green and Sophie Star (a girl who's been a wee bit on the shy side up till now) getting up close and personal. We figured that if anything was going to get Sophie's thighs wide open, it was the prospect of having Emma lapping away down there – and what do you know – our evil plan came off something rotten! Oh, and we had a few beers while we watched everything unfold!

Without wishing to be derogatory, Vera and

Alexa are a couple of right nymphos. You'd think putting them into a room to fuck each other would be enough, but no, we got a right earful from them because we didn't bring them any dicks to play with, and there weren't even any sex toys. They shouted at us, kicked us out of the room and, funnily enough, and just got on with it. Luckily for us all, they didn't kick the photographer out. We're just surprised he managed to escape these saucy sluts in one piece. Although he was wearing a rather enigmatic smile...
